Discounted Member Benefits

Dentists

MetLife®

Introducing a “NEW” National Dental Association discounted member benefit through MetLife:

Long Term Care Insurance

- This benefit helps cover home care or community-based care, as well as nursing home care costs.

Individual Disability Income Insurance

- This benefit replaces a portion of your income and helps you meet your financial obligations in the event you cannot work due to an illness or accidental injury.

Business Overhead Expense Insurance

- This benefit helps pay your share of the rent, utilities, employee wages, maintenance services, and other overhead expenses so you can return to a smoothly run business when you recover from a sickness or injury.

Retirement Savings Disability Income Insurance

- This benefit is designed to cover the loss of your retirement contributions, and any employer matching contributions, if you become sick or injured and unable to work.
