

GREETINGS FROM NDAA!!!

NDAA family, are you ready to increase our membership and elevate this organization to the highest level possible. We need your support at our 53RD Annual Convention. The NDAA is on the rise, but we need positive help from all members. Please encourage dental assistants in your area to register as members to continue their education. Education is the key for success in any dental office because of changes in technology and supplies to better serve your patients. I ask that you visit the exhibit hall and speak with vendors and find supplies that help make your job easier. Our journey begins with our continuing education for all registered members. We will have guest speakers that will provide credits from 1.5 to 2 hours per each session. The speakers will cover aspects of the dental office that directly involve the assistant and the clerical staff again. The classes were filled with knowledge and the speakers made learning fun.

It is our inspiration to continue offering courses to prepare dental assistants and clerical staff for greatness, but we need funds. I am asking that all dental assistants and clerical staff ask local dentists to register their staff with us. We recognize that our fundraisers will not allow us to cover the full cost of our events, NDAA family; therefore, we are asking each dental assistant to help by approaching sponsors and encouraging doctors to register assistants in your area. Our organization is only as strong as the members involved in it. So, I am looking forward to seeing you all in DALLAS, TEXAS.

We have scholarship information available for any dental assistant that is a member of our NDAA family. The scholarship will help you further your education in the dental assistant field or become DANB or X-Ray certified. NDAA has a private group for members only on Facebook to reach all. We are posting dental information to help assistants and information about the convention. You can contact any Executive Board member on Facebook and they can invite you in the group, or any member that is already a part of the group can invite you in.

It is with deep appreciation and gratitude that I thank my awesome Executive Board and Chairs for all of their work. I am happy to have a great team and Past Presidents that have shared a great deal of knowledge to keep NDAA on the move to success. I Love you and See you in DALLAS for another educational fun filled convention!!!!!!

MESSAGE FROM THE PRESIDENT ELECT

It is with great pride that I accept the opportunity to serve as the next President of the National Dental Assistants Association. I realize that the task ahead of me is not one to be taken lightly. This position calls for dedication and commitment for continued growth and development. I will give my focus and every effort to help to build a stronger organization. Success can be achieved but only if we are united and stand as one body. **UNITED WE STAND, DIVIDED WE FALL.**

I am in need of the support of everyone. The old shall teach the young; therefore the younger ones can continue to pass the torch forward to the next generation. These responsibilities are not just mine, but belong to every member. As a member of this organization, we know that it is a part of our creed to assume responsibility, to create ideas and develop them.

Please help me in fulfilling these responsibilities by attending the conventions and supporting the **NATIONAL DENTAL ASSISTANTS ASSOCIATION.**

Sincerely,
Pamela King, MA RDA
President-Elect

The NDAA would like to thank last year's speakers.

Carrie Friz

Stephen Towns

Thank you for your time and attention.

National Dental Assistant Assoc.

The NDAA is an auxiliary of the National Dental Association. We are composed of Office Managers, Dental Assistants, Receptionist, Treatment Coordinators, Clinical Coordinators, Finance Specialist, and any office personnel except the Dentist and Hygienist. The objective of our Association is to promote the education of the dental assistants and staff to improve and sustain the profession of dental assisting, and to contribute to the advancement of the dental profession and the improvement of public health.

NDAA provides an opportunity for intellectual growth and development. We improve the status of dental assistants in the public eye. We encourage and assist dental assistants and staff to form local groups, organize, and develop plans for educational needs in their communities. We offer certified continuing education programs for those who need Certification Renewal through Scientific Sessions, and we also provide scholarships for qualified students and who studies dental assisting and dental administration.

Why you should become involved with NDAA as a Dental Assistant, Office Manager, Receptionist, Finance Specialist, Treatment Coordinator, and Clinical Coordinator?

1. Opportunity for continuing education
2. Being a part of a National Organization
3. Networking with peers to share concerns, needs, and interests
4. Lifelong friendships
5. We challenge you to develop professionally

NDAA MISSION STATEMENT

To promote and enhance dental assisting as a profession; to endorse the highest standards possible in the deliverance of quality dental care to the consumer by continued education and proper credentialing of dental assistants.

To provide a forum for minority dental assisting to come together, to network and fellowship at our annual conference.

Our goals are to:

- Provide continuing education
- Promote certification as a requirement for employment
- Establish a network to refer members to potential employers
- Increase membership, attendance and participation at annual conferences and/or conventions

The NDAA thanks the NDA Foundation, Inc. and Colgate for the generous support of our organization! Visit NDAF website at www.ndafoundation.org.
